HIPAA Acknowledgement and Consent Form

I understand that, under the Health Insurance Portability & Accountability Act of 1996 (HIPAA), I have certain rights to privacy regarding my protected health information. I understand that this information can and will be used to:

- Conduct, plan and direct my treatment, and follow-up care among the multiple healthcare providers who may be involved in the treatment directly or indirectly.
- Obtain payment from designated third-party payers.
- Conduct normal health care operations such as quality assessments or evaluation, and physician certifications.

I have been informed by AGA/AGEC of the Notice of Privacy Practices containing a more complete description of uses and disclosures of my health information (available in office in print form or on the office website, <http://www.athensgastro.com>). I have been given the right to review such Notice of Privacy Practices prior to signing this consent. I understand that AGA/AGEC has the right to change its Notice of Privacy Practices from time to time, and that I may contact this organization at any time at the address(s) below to obtain a current copy of the Notices of Privacy Practices.

I understand that I may request in writing that AGA/AGEC restrict how my private information is used or disclosed to carry out treatment, payment, or health care operations. I also understand the organization is not required to agree to my requested restrictions, but if the organization does agree, then it is bound to abide by such restrictions.

I understand that I may revoke this consent in writing at any time, except to the extent that the organization has acted relying on this consent.
